LENA is a national nonprofit on a mission to transform children's futures through early talk technology and data driven programs. Backed by 20+ years of research, LENA Grow focuses on the key marker of quality in early childhood education: teacher-child interactions.

Or what LENA calls conversational turns. From Head Start classrooms to family child care homes and private child care centers and from libraries to public health initiatives and research universities, LENA's programs are creating measurable differences in children's lives around the world. Our Community Advisory Board brings together a coalition of leaders and thinkers across the early childhood community to inform key strategic decisions at LENA. Discover LENA's data-driven research insights on children's language development.
