LENA is a national nonprofit on a mission to transform children's futures through early talk technology and data driven programs. Backed by 20+ years of research, LENA Grow focuses on the key marker of quality in early childhood education: teacher-child interactions.

Or what LENA calls conversational turns. From Head Start classrooms to family child care homes and private child care centers and from libraries to public health initiatives and research universities, LENA's programs are creating measurable differences in children's lives around the world. Our Community Advisory Board brings together a coalition of leaders and thinkers across the early childhood community to inform key strategic decisions at LENA. Discover LENA's data-driven research insights on children's language development.

Explore 250+ studies from 40+ countries

Learn more now. The LENA technology system is the world's only hardware and software suite that measures interactions in early childhood education settings.

LENA Online v3 is a platform for accessing LENA's early talk technology and data-driven programs to transform children's futures. Discover LENA Grow's impact on child development and teacher retention.

See the data-driven outcomes. Explore now! Meet our LENA leadership team and board of directors. Our Community Advisory Board brings together a coalition of leaders and thinkers across the early childhood community to inform key strategic decisions at LENA.

Learn more about working at LENA and see our current openings. At LENA, we turn the science of measuring conversational turns into action.

Our programs help child care centers, school districts, and families worldwide boost early language development, creating measurable results that transform children's futures.
