Support stories ideas techniques answers about the interview process wage expectations contracts taxes or any other happenings in the daily life of a nanny Oct 14 2021 I agree with you about stereotypes but in the original series Ann M. Martin based Kristy the most on herself and is alesbian

So it has always felt like she was meant to be gay Aug 2 2020 The mystery books and ghost stories from TheBabysittersClub are all terrible How the hell can you have ghost stories without ghosts?! I get more terrified by eight year old kids at a campfire telling me ghost stories that they wrote themselves for elementary school assignments! Aug 17 2012 It was alesbianscene and the girls were eating each other out

This was one of the first times I have seen porn not counting the sex acts seen in a rated R movie and I was aroused which frightened me Was anyone else forced to babysit as a preteen teen whether you liked it or not? At 10 I was watching my sister. At 11 I was watching cousins

At 12 I was babysitting anyones kids. Did anyone ever ask me if I wanted to babysit? Of course not. I hated every second of it. Im just not good with kids huge reason why I never had any

I still remember being forced to take that CPR Jul 18 2020 I hope one of thebabysittersis gay Yes I would love to see that addressed

I havent read the books just watched the show do you think its possible? And if so whos most likely to be gay? Jul 20 2022 I remember getting spanked for flipping through a book of fairytales at a friend s house

I had to get my youth pastor to help me formally request to read Narnia when I was like 15

I wasn t allowed to read any Babysitter s Club book because the first one my mom read to check if it was appropriate had a character telling a ghost story Dec 2 2023 I finished Delilah Green Doesn t Care today and loved it and now I m hoping you folks might help me find more of this rather specific trope I adore when one of the main characters is a single mother and there s a heavy emphasis on the other lady bonding with their love interest s child

Especially if the love interest is kind of the punk carefree type and it surprises mom to see her kid Mar 19 2023 I am interested in what people know about Paris Bennett

I watched the YouTube interviews with Piers Morgan but there wasnt enough info for me to understand the babysitter leaving Pariss background with his mom etc they just focused on him being a psychopath
