For fans of fullweightfacesitting the heavier the better! my girlfriend and i like sitting on each others faces not at the same time and whilst i usually hover over her face she literally sits on mine so i almost suffocate. but i like it. shes autistic so maybe she thinks face sitting is literal

whereas i always thought you dont actually sit down

what is the general consensus? do you sit or hover? thanks lesbians r StinkfaceAndAssKiss A Subreddit for Videos Pictures Literotica of Female on Female Stinkfaces Female on Female Ass Kissing Sep 16 2020 When it is not just oral but also actualfacesitting I go crazy with lust and enjoy it even more because of the power dynamic
