Alongside up to 20 prospective peers you'll have the chance to visit classrooms, facilities and residence halls and have all of your questions answered by current Lesley students. Oct 20 2025 Edith Lesley founded the Lesley Normal School, a two year school to train kindergarten teachers.

The term normal originates from the French *cole Normale Suprieure*, a school established to train teachers. This course focuses on teaching the dynamic, interdisciplinary nature of science, technology and engineering.

Student engagement is critical and is only achieved through rigorous practice based curriculum and instruction.

Participants will learn to instill curiosity about both the natural and designed worlds through the use of engaging teaching practices in science that model the inquisitive.
