Lets is the English cohortative word meaning letus in an exhortation of the group including the speaker to do something. Lets is the third person singular present tense form of the verbletmeaning to permit or allow

In the questioners examples the sentence means to say Product allows permits you to do something awesome so the form with lets is correct Mar 17 2023 Page 64 of the fourth edition of Practical English Usage reads Verbs which can be followed in active structures by object + infinitive without to use to infinitives in passive structures

Comp Many people use let let s and lets in conversation What s the difference between them? Jun 14 2011 I notice that let alone is used in sentences that have a comma. The structure of the sentence is what comes before the comma is some kind of negative statement

Right after the comma is let alone Jun 10 2018 Let normally occurs with a clause of some sort as complement and passive is unlikely with a clausal object Bill wants me to come to the party would be passivized to *For me to come to the party is wanted by Bill which is hardly an improvement

So let doesn t normally passivize Jul 2 2020 Some verbs like let or sense verbs like see watch hear and feel can take infinitive object clauses complements without a to it s a special exception for those verbs only

All others like want or allow need a to marking their infinitive complements Let s go out Let s have a party Let s see what happens Let s stand together in this emergency Let s not forget those who sacrificed their lives Questions I believe that let + us is the only instance where this type of contraction occurs Feb 23 2016 In Let s get started the starting point is in view and Let s get going you are on the starting point already

Moreover there is a sense of extra involvement abundantly made clear by the sentence Let s start going Sep 8 2011 Let by gone be by gone uses both meanings of the word by gone and means in extended form let the unpleasantness between us become a thing of the past

So I think the meaning of the phrase is closer to your first meaning versus the second Apr 13 2016 The let alone construction has been analyzed in great and precise detail in a famous paper by Fillmore Kay and O Connor Regularity and Idiomacity in Grammatical Constructions The Case of Let Alone Language Vol

64 No. 3 1988 501 38. EDIT By request. The two clauses have to be on a certain scale of meaning one of the clauses must describe a situation that is less on that scale.
