Lets is the third person singular present tense form of the verb let meaning to permit or allow

In the questioner's examples the sentence means to say Product allows permits you to do something awesome so the form with lets is correct Many people use let let sand lets in conversation What's the difference between them? Feb 23 2016 I'd like to know if anyone feels a difference between Let s get started! and Let s get going!

Both seem to mean about the same. It is also interesting to notice that there seems to be an Nov 8 2012 The first statement let's plan to meet at three o'clock is hedged the second let's meet at three o'clock isn't

What this means in real life is that the first statement is less definite and less assertive and possibly leaves a way out if the speaker suspects he may not be able to make it Nov 27 2019 The first is correcter. Let's not go there while a bit arcane is valid syntax

Let's don't go there is not strictly proper syntax though it has a bit of an AAVE sound to it. It's not proper syntax because the triple verb let's do not go breaks the basic rules of sentence construction

The origin however is likely from adding let's to the correct in other contexts don't go The verb let means allow permit not prevent or forbid pass go or come and it's used with an object and the bare infinitive

Are you going to let me drive or not? Don't let Feb 25 2020 One facet of my argument addresses how he let's others do the dirty work for him though he does not directly spill blood he is responsible for a lot of strife and he keeps his hands clean through manipulation and his status as a General

I know there is a better phrase to use than let's others do his dirty work but cannot think of it Jan 19 2012 How compelled should I feel to use non contracted forms do not rather than don't and so on when writing in a rather formal text say an academic paper? In one case I am afraid to seem too stilted Jan 12 2016 1854 G
