Oct 26 2023 I watched ThevirginSucides last night and really enjoyed it. I liked the vibe but also how it had an eerie feel with a bad ending while still being a visually pleasing and aesthetic movie

Anyone have any recommendations for similar movies? Like a nice vibe but also psychological thriller I feel like it's a rare genre Jan 12 2024 Men like women who have initiative when I was a virgin or just lost it I was so shy that I never initiated it men like women who can be in doggy position properly who can ride who can say the right things and do just the right things

My issue was that I was super sheltered growing up so I just didn't know how to talk to girls

Once I started talking to girls it was like 6 months till I started going on dates and like 2 or 3 months till I had sex. This show has always given me a burning desire to uproot my life and move to a town like Virgin River. A simpler and fuller life, nature, less social media, genuine people, etc.

That being said, what are some real-life mountain towns that remind you of Virgin River? I would love to visit these places

My main fear is that if a girl finds out I'm a virgin it's over so I can't bring myself to start a relationship. Archived post. New comments cannot be posted and votes cannot be cast. Virgin is pretty unique in many ways not just the lack of kids

As you go up market you'll find fewer families traveling with younger kids. You'll largely find quieter experiences in general. Celebrity is of the premium lines other than VV probably the most lively but it depends on the sailing. On any line the longer the cruise the fewer kids there will be

In short nothing else Oct 6 2023 Just like Virgin River the people there mostly
