Sep 2 2014 The form lil is used but the most common variant seems to be lil capitalized when it is a name. Wikipedia Lil is a kind of prefix and is the short form of little. It is often spelled with an apostrophe as Lil or Li l

When used as a prefix in comic or animation it can refer to a specific style of drawing where the characters appear in a chubby childlike style

These are normally lil Wayno Eminem flowtop10verse So when I abbreviate little is it correct to write li l with an apostrophe at the end for the missing e I believe it is usually written li l without the apostrophe But if we're leaving out the last apostrophe can we leave out the middle one too to give us lil adjectives abbreviations apostrophe Share Improve this question Feb 7 2019 lil little hiphop rapper lil xxx rapper rapper8090 rapper BIG BIG L BIG suge LIL IQOS IQOS IQOS 3
