Apr 4 2021 Trying to pick a good spare tire carrier. I ve read other posts on this topic but didn t see some of my specific questions addressed so here goes. Related to a 2019 YXZ with the Yamaha rear cargo box

1 Yamaha OEM Spare Tire Carrier \$500 Question My license plate is currently mounted to Feb 20 2025 I made a small tire rack to go in my trailer as well

There s only room for 6 tires on this rack but I m almost finished with my War Wagon that holds 4 complete sets plus has a toolbox tire sander prep impact drive cordless belt sander and a few other items May 24 2017 The FastLab 2016 2022 Yamaha YXZ1000R spare tire carrier provides the best balance for the YXZ suspension

This spare tire carrier mounts to the factory frame so it will work with all aftermarket cages that retain the factory frame section Jan 1 2017 Im thinking about building a tire rack for my shop Im planning on using 1x1 square tubing Im not sure on what dimentions i will need?? Anybody have any pics of ones u have made?? Apr 19 2015 Tire rack Plate page 222 of the 2015 JC Specialty catalog hard copy part 0920TR \$10.99 each

They recommend one every 5 and their style requires 3 pieces of tubing two on the bottom one in the front Jan 24 2021 Yes I distribute the Bulldog Race Products tire rack plates

They are made for std 1 2 EMT conduit and have hole spacing appropriate for both regular flat kart slicks 31 35 and outlaw karts treads 34 39 roll outs. \$25 plate or 6 plates for \$120 plus shipping from California If you are interested Ill send some pics of how they look mounted

Three plates will make Nov 2 2021 Welcome to Seven7 Plates! We are your go to for your karting tire rack plate needs. Our plates are made out of 1 8 aluminum for increased durability lighter much more sturdy then your basic plates

These have a 2 wide surface mounting area with 1 4 predrilled holes which also adds to the May 15 2024 Anyone have trouble installing a FastLabs spare tire rack? Mine seems to be binding and wont seat properly. I can only get one coupling tight

I watched the video from FastLabs and that rack seems to snap or pop to the roll bar. If theres a trick here help would be appreciated. 2024 SS model Jan 6 2024 The FastLab 2016 2022 Yamaha YXZ1000R spare tire carrier provides the best balance for the YXZ suspension

This spare tire carrier mounts to the factory frame so it will work with all aftermarket cages that retain the factory frame section Dec 17 2013 Need some
