Aug 21 2011 What if any is the right way to use andlo in a sentence? My basic structure is [discussion about thing] andlo [example of thing] kind of like There s a cliché about circus clowns being creepy and dangerous andlo last night I saw a clown violating a teddy bear According to the OED in Middle English there are two distinct words lo or loo which have fallen together one of them is indeed derived from a form of look but the other I an exclamation indicating surprise grief or joy Nov 15 2010 9Locomes from Middle English where it was a short form of lok imperative of loken to look see Etymonline Wiktionary

To behold means to see to look at and comes from Old English bihaldan give regard to hold in view compare to behalten in contemporary German 13 Historically lo! isn't expressive of any particular emotion alas or addressed to any particular person dude and it s not an all purpose interjection Hey

It expressly calls upon hearers to look at to take account of to behold what follows

In contemporary English we say look! in pretty much exactly the same way Oct 10 2012 TV Fool > Over The Air Services > Special Topics > Antennas Low VHF reception 2 6 Experience Opinions Aug 23 2023 But I found the structure unusual because lo+adjective itself serves as a noun which is another grammar in Spanish but the adjective adverb in the subordinate clause serve as a predicate adverbial Jan 5 2014 AntennaCraft HD1850 vs

Winegard HD8200U for attic with VHF LOin L.A. exurbs preamp Help With Reception Jan 2 2014 Combine UHF and VHF Lo

DIY 4bay attic mount design Help With Reception Dec 1 2015 For my money log on to a system or log in to a system are interchangeable and depend on the metaphor you are using see comment on your post

I suppose there is a small bit of connotation that log on implies use and log in implies access or a specific user. Not to be confused with login a noun describing a combination of username password

I d pick 1 because the program is Aug 12 2019 TV Fool > Over The Air Services > Special Topics > Antennas Low VHF antenna designs.
