Magnum Photos has visually documented most of the worlds major events and personalities since the 1930s covering society politics events and conflict The following text on Magnums history is by Fred Ritchin taken from the book Magnum Photos published by Nathan in the Collection Photo Poche 1997

Two years after the apocalypse that was called the Second World War ended Magnum Photos was founded

The worlds most prestigious photographic agency was formed by four photographers Robert Capa Henri Cartier Bresson George Rodger and Dec 8 2025 On December 6 2025 beloved photographer and Magnum Photos Member Martin Parr sadly passed away in his home in Bristol

An essential member of the Magnum community a leading figure in the world of photography and an admired artist at large Parr will be missed by many

Here we pay tribute to Parrs legacy and indelible spirit Magnum Photos is a co operative owned and run by its member photographers who undergo a rigorous process of self selection in order to become full members

The photographers meet once a year during the last weekend in June in New York Paris or London to discuss Magnums affairs Magnum photographers are a rarity and the agency is self selecting membership is a minimum four year process and is considered the finest accolade of a photographers career

Magnum Photos reaches a global audience and has established itself as the authentic storytelling photographic brand In 1947 following the aftermath of the Second World War four pioneering photographers founded a now legendary alliance

Combining an extraordinary range of individual styles into one powerful collaboration Henri Cartier Bresson Robert Capa George Rodger and David Seymour started Magnum Photos The Magnum Foundation in New York is a separate non profit organisation founded by the Magnum Photographers in 2007 with a mission to expand creativity and diversity in documentary photography through grant making and mentorship of emerging photographers Mar 7 2025 Magnum Photos in partnership with Fujifilm and MPP Heritage and Photography Library of Paris presents A World in Color a historic project to digitize the agencys Paris color library archive which has remained dormant for decades
