MagnumPhotos has visually documented most of the worlds major events and personalities since the 1930s covering society politics events and conflict They createdMagnumin 1947 to reflect their independent natures as both people and photographers the idiosyncratic mix of reporter and artist that continues to defineMagnum emphasizing not only what is seen but also the way one sees it Dec 8 2025 An essential member of theMagnumcommunity a leading figure in the world of photography and an admired artist at large Parr will be missed by many

Here we pay tribute to Parrs legacy and indelible spirit MagnumPhotos is a co operative owned and run by its member photographers who undergo a rigorous process of self selection in order to become full members

The photographers meet once a year during the last weekend in June in New York Paris or London to discussMagnum's affairs For more than 70 yearsMagnumhas been creating the highest quality photographic content for an international client base of media charities publishers brands and cultural institutions

TheMagnumlibrary is also a living archive updated regularly with new work from across the globe In 1947 following the aftermath of the Second World War four pioneering photographers founded a now legendary alliance

Combining an extraordinary range of individual styles into one powerful collaboration Henri Cartier Bresson Robert Capa George Rodger and David Seymour startedMagnumPhotos Magnumis a cooperative of photographers based around the world

As well as still images some of our photographers also use film writing and other art forms Mar 7 2025 Each monthly Image Reveal will be published acrossMagnum's platforms spotlighting a different country

Our first stop is Europe home of the color library archive and the journey begins in March with a focus on Czechia Jan 26 2024 Magnum Magnum is available to order here

Olivia Arthur and Cristina de Middel former and current president of the cooperative contribute a poignant foreword to the book Apr 16 2025 Curated byMagnumphotographer Alec Soth the exhibition will reveal a new set of unseen images spotlighting Italy and original slide sheets from the Paris color library archive.
