Makima is the main heroine of the manga series Chainsaw Man

She is a powerful manipulative and mysterious devil hunter who hopes to use Denji for her own goals Jun 11 2025 Makima with all contracts and hybrids present Falling as of the latest CSM arc vs 19f Megumi Sukuna with Mahoraga and Agito Shinjuku showdown Gojo All combatants are in character Basic knowledge on Prime Minister Contract and Infinity allowed Fight to death incapacitated or before Takes place in May 10 2025 Makima can force those contracts easy enough however she is more likely to try to beat Simurgh in order to control them first

Sending her to Hell is probably one of the last scenarios she would use. Although the Hell Devil showed it doesn't care who does the contract they accepted it anyway including two sides fighting each other Nov 4 2025 Makima's lives will be based on the population of Japan in Chainsaw Man part 1

Both gets all feats from anime and manga. Makima has everyone she has shown to have control over in this fight along with all the contracts she was shown to have used during Part 1. All for One gets all the Nomus shown in MHA + Kurogiri Nov 4 2025 In a battle of attrition Makima wins ultimately

Without info on her contract AFO will have to kill her literally hundreds of millions of times whereas AFO's regeneration was rewound and spent in literally a single afternoon after how many deaths? One from team Endeavor maybe 3 or 4 from All Might another from Bakugo Point being he has far greater firepower and variety but ultimately Sep 3 2025 So I saw this Reddit post asking who would win in a 1v3 between Shigaraki My Hero Academia against Satoru Gojo Ryomen Sukuna Jujutsu Kaisen and Makima Chainsawman and it made me curious what the people of Spacebattles thought on this matchup

Combatants Tomura Shigaraki [MHA] Satoru Nov 11 2025 Makima's army contracts under this should include Every hybrid except Denji Zombie Devil Aki 47 Power Beam Angel Violence Fiend Curse Devil Hell by technicality Fox Future Claw Knife Mantis Mold Needle Octopus Punishment Snake Spider Stone the contract that lets her listen through vermin and transform into vermin and Nov 4 2025 Also Makima gets shot and killed in chapter 83 page 6 despite having visuals on the shooter

Weird argument when yeah she gets shot but she has no reason to kill them herself when she wants Pochita to do it? Makima literally let herself get shot in the train just to aura farm all the way back in the Katana Man arc Aug 6 2022 Makima is a character with an interesting ability one that contrasts greatly with Gojo's meaning he can't be hit and she doesn't mind if she is hit

The issue here is that as we've seen in the Shibuya arc Gojo actually cares about human life refusing to pull off a complete Domain Expansion because of the
