Dec 28 2023 I have a new used 2017 Hybridmalibu with a keyless entry start issue. All available online info says with dead and unrecognizable RKE fob you use the physical key to unlock door and put the fob in the transmitter pocket inside center bin under drivers right arm then start normally

I Jul 27 2021 Hey y all. I ve got a 2015 Malibu that s just turned over 98 000 miles. I do oil changes on time with full synthetic use good gas and keep my filters clean

BlueBook records the average life expectancy of these vehicles to be 150 000 miles but I m curious what everyone here has now that Feb 3 2025 I have a 2005 Chevy Malibu LS 3.5 V6. I took my car to the Emissions Testing Station and it failed. The printout says Heated Catalyst where it says sensors

The guy told me that the Heated O2 sensor is bad. How many sensors are there. And where are they located. I never heard of a Heated O2 Oct 5 2022 I have a 2014 Malibu with a 2.5 motor with two batteries

One is under the hood and one is in the trunk. I have two questions. 1. Is there a procedure to replace the trunk battery? Do you have to disconnect the main battery or do anything with the computer? 2

What kind of battery can you put Nov 12 2012 Chevy Malibu Forum is the best place for owners of the sedan to connect with the community and discuss MPG mods and more. Join now! Jun 22 2021 I have a 2016 Malibu LT and like many others have the P1101 pop up every other month

I read the forums and did the usual change the MAF and cleaned throttle body several times. The code would clear but come back in a few weeks. Car runs fine with check engine on so i just ignore until I get to Jul 9 2024 Got P1101 Mass airflow sensor code. 2020 Malibu 1.5L

35K miles. Well maintained. No performance issues while light on. Not losing oil

Replace air filter was clean. Smoke test ducts no leaks. Cleaned MAF Not dirty. Removed and cleaned Throttle body some buildup

Removed and cleaned 3 Jul 17 2021 Welcome to Chevy Malibu Forum!
