assert.AssertionError We would like to show you a description here but the site
won't allow us About thisdocumentationWelcome to the official API
referencedocumentationforNode.js!Node.js is a JavaScript runtime built on the V8
JavaScript engine The documentation is generated using the tools doc
generate.js program

The HTML template is located at doc template.html. Stability Index Throughout
the documentation you will see indications of a section's stability

The Node.js API is still somewhat changing and as it matures certain parts are
more reliable than others Node.js is a JavaScript runtime built on Chrome's V8
JavaScript engine. It allows developers to use JavaScript for server-side
scripting

Install Node.js from the official website Create your first server with just a few
lines of code Use npm to manage packages and dependencies Explore the
extensive documentation and community resources Node.js Wikipedia
Page Node.js Foundation GitHub Organization Page Node.js on Heroku Node.js on Reddit
Azure for Node.js developers Tutorials API Reference from Microsoft Docs Node.js on
Google Cloud Platform YouTube Data API Node.js Quickstart TOC Love NameSilo? So
do we! Get \$1 off your next NameSilo order by using Coupon Code node
Node.js About this documentation Usage and example Assertion testing Asynchronous
context tracking Async hooks Buffer C++ addons C C++ addons with Node API C++
