The Ichthys symbol, also known as the Greek fish [1], is in its modern rendition a symbol consisting of two intersecting arcs, the right end extending beyond the meeting point so as to resemble the profile of a fish.

It has been speculated that this symbol was used by early Christians as a secret symbol, a shibboleth to identify themselves. The word "Ichthys" comes from the Greek language and simply means "fish". That is why people started using this picture as a symbol.

Over time, it became popular in different areas, including the automotive world. A badge or sticker in the shape of a fish is usually placed on cars by Christians from different denominations. Discover the hidden meaning behind the fish symbol on cars.

Uncover the history and significance of this mysterious emblem. Click to find out more! Last updated Mar 22, 2022. You can spot it anywhere on someone's shirt, in a newspaper advertisement, even on the back side of a car in front of you in traffic.

It is the recognizable Christian Fish or Jesus Fish symbol, which resembles a hand-drawn fish that sometimes includes a cross for the eye or the name Jesus in its middle.

Although the Christian fish symbol first emerged in popularity during the 1960s, it has been around for a long time. In a world of similar models and neutral colors, drivers naturally look for ways to make their cars feel like their own.

Stickers, accessories, unique details, and yes, even a small silver fish, all help transform a machine into something more personal. In a subtle way, the fish gives the back of a vehicle a human presence. The common fish symbol is seen on cars and other
