While not all of us like porn videos of sex or pics of womenmasturbating I challenge any woman to find a hetero guy who doesn t like looking at naked boobs from time to time. just one guy

Find me one guy who doesn t see a link to pictures of say Jessica Alba in bikini and doesn t click on it Jun 28 2016 If another woman ormanplaced her hand to his junk to give him the happy ending it is also called a hand job and is a sexual act thus cheating

If he performed this on himself then it is called masturbation and is not cheating Amancan grip his penis more firmly than most any vagina can

If amangets too used to the pressure that he can apply himself then the pressure and sensations that he gets from a vagina may not be sufficient to get him to orgasm

This does not mean that masturbation will be more enjoyable than sex with a woman who amanhas feelings for Amanwho can lie about that can lie about anything. However everyone lies at some point. A lot of men watch porn because it s a visual aid and men prefer visual aids

He may have naively thought that he was protecting you. I not sure recording him is a great idea because if you start doing that then the trust is going to quickly disappear.
