The term chudai is a Hindi word that is colloquially used in certain South Asian cultures primarily in India and can be largely associated with the act of sexual intercourse. It derives from the root word chuda which means to copulate or to have sex. Oct 4 2024 Chudaimeans fuck one commenter wrote

Sex between man and woman. Another user noted that it was Hindi Urdu slang. Others online have buttressed these origins of it being an informal term meaning the act of sexual intercourse
