CrowdStrike Falcon offers cloud delivered solutions across endpoints cloud workloads identity and data providing responders remote visibility across the enterprise and enabling instant access to the who what when where and how of a cyber attack Jun 6 2023 trueHey guys Im still learning the whole query aspect of Crowdstrike

I see a lot of posts here that are providing insight as to how to write queries a lot queries that I could see being useful in the future with data collection whatnot

I was interested to know if there are any resources that provide a collection of some of the most commonly used queries? Or if anyone has any that Technology Services offers the CrowdStrike Falcon endpoint protection system to the Urbana Champaign campus

The Endpoint Services EPS MECM and Munki services both offer installers. Manual installations and additional install parameters are covered in the knowledgebase article Endpoint Services CrowdStrike Manual Installation and Jun 30 2022 Welcome to the CrowdStrike subreddit
