[quote=Anonymous]There are studies showing that when the concentration of women in any space college a career field a sport or fandom crosses a certain threshold boys disengage entirely. The thing that used to be a male dominated space is now too feminine and boys quit

The threshold is really low I forget but it was below 40% female participation where they saw this effect

My parents are up for anything. The real limitation is my DS22 who doesn't want to watch anything remotely sexy with his grandparents

Movies and shows we've enjoyed together in the past Knives Out The King's Speech David Beckham bio Don't Look Up Clarkson's Farm Apollo 13 Little Women Saiorse Ronan version.
