Apr 23 2014 I want to understand what Chandler means when he says he smaxed out after thinking he s embarrassed by his bunny costume Jun 16 2014 Medica s answer pointing to the Peter Principle is on the money however just to add a phrase or two colloquially maxed out plateaued sweet spot Having risen to his level of incompetence refers to having gone beyond Jack s referred to territory of competence

Out of his depths would similarly express having risen above that territory Jun 26 2024 I ve sifted through a bunch of options and reviews to help you parse out which ones are worth your time and money

Could you please clarify if the usage of parse out is appropriate in the context provided? I have searched several dictionaries for the definition of the phrasal verb parse out but I was unable to find one The fact that you are not sure if it s either semantic or pragmatic suggests it is not excluded from being a semantic ambiguity

It could be a pragmatic ambiguity iff it is not a semantic ambiguity right? Jul 7 2015 I m looking for an idiom to describe someone who decides to take up a new hobby then buys an excessive amount of gear before they ve even started

Perhaps they believe they need this gear to maste I d prefer the second one although not because of the reason you cited. Make money off of something is different from the phrasal verb make off. Both make money out of and make money off are actually right

For me though make money off may also be used to imply an unscrupulous method of generating income. ex

make money off my friends make money off the mentally ill etc Mar 31 2020 3 I was reading an article about some candidate drugs for the COVID 19 infection and came across a curious usage of readout Studies for another drug remdesivir from Gilead Sciences are expected to read out in the coming weeks

Googling for clinical trial to read out brings up many instances of the phrase s usage Feb 28 2013 What is the basic difference between made of and made from. Both expressions are used in English. For instance This chair is made of wood and Cream is made from milk

Though the question is You can t make chicken salad out of chicken something else I heard this expression from one of the NBA basketball TV commentators on Fox Sports Oklahoma who uses it in the affirmative and uses something else instead shit Mar 27 2019 Is there a rule on acronyms and initialisms being spelled out with the first letter of each word being uppercase or lowercase? Example interim final rule IFR Interim Final Rule IFR.
