One request on wordle there is ability to play using hard mode which requires player to use any revealed hints in subsequent guesses

I'd like to practice using hard mode on some older puzzles and thought your archive would be perfect for that Jan 14 2022 I adapted my wordle solver to print out a list of every word ranked by how good a starting word it is so people can see how good their choice is

These are ranked using the average expected number of possible solution words that will be left after guessing the word and receiving feedback

For example if you use the 2 word raise as a starting word after you get the feedback there will be Post your results in the daily Wordle thread instructions on how to use Scoredle to generate your answers with spoiler tags is at the top of each thread and ask for feedback on your guesses This is the Daily Wordle thread for the NYT version of Wordle

Share how you did today here and only here please ! To automatically generate spoiler tags use Scoredle! The official original Wordle and the official New York Times version both check a valid word list client side

If you check the source of the web version you can find a JavaScript file with the complete current valid word list Mar 8 2022 I ran every word my dictionary against a subset of 200 random wordle targets to save computing time then computed how many words I had left based on the pattern of squares I got after one guess

The best average narrowing was achieved with later Jan 25 2022 The homepage of your archive opens a wordle on the same page

How do I navigate back to choose a different date? Since it's loading on the same page I might have to bookmark the homepage and open it each time? Can you open it in a new tab when we click on Go after setting the date? Jan 8 2022 Here's the actual distribution of Wordle solutions containing each letter
