Feb 24 2015 Originally I had a me account and then I moved over to an icloud account

However I am uncertain if the me account is still active or should I just delete it off my devices Mar 6 2023 how do i access my me email how do i access my me email account Posted on Mar 6 2023 10 57 AM 106 Jan 31 2020 You cannot create an me address. Apples MobileMe service was killed off in 2012

Anyone with a working me or mac now is using that as nothing more than an alias to the icloud account they must have created prior to the MobileMe shutdown in 2012. Anyone who did not do that prior to 2012 lost their mac.comand me email addresses for good

The only email addresses Mar 18 2025 Please also review these Apple Support Articles Recognize and avoid social engineering schemes including phishing messages phony support calls and other scams Apple Support Identify legitimate emails from the App Store or iTunes Store Apple Support Do let me know of any feedback or suggestions below

Hope this helped and stay vigilant out Mar 15 2024 me account is no longer receiving mail Since the 23rd of January 2024 I no longer receive any incoming mail to my me mail address other than mail from Apple themselves

I've tried every solution that I've seen other than deleting the me account as I know I will lose it if I do so Mar 14 2022 I have an me email address but I am unable to access it or set it up because I don't remember my password for it Dec 19 2021 Where do I find my email account that ends with me Dec 11 2024 Why does my iPhone automatically record my phone conversations and how do I stop it? [Re-Titled by Moderator] Dec 28 2024 When your iPhone sends incoming calls directly to voicemail or is disconnected after a ring it might be due to various reasons

This can occur if the recipient's phone is powered off in a low signal area or if they have enabled the Do Not Disturb mode. Additionally the contact's number may be blocked or marked as spam

Check your DND status If you're experiencing issues with Oct 31 2024 Now the system allows me to choose my photos from my iPhone scroll down to MAIL and then allows me to enter my email and allows me to choose from the various sizes and ultimately allows me to send the photos.
