Sep 13 2010 Members is correct as member s would mean that there isonlyone member

Also re the correctness or otherwise of your third option you might want to read this recent thread Aug 26 2024 Could members be omitted and just say Family help each other instead? This sounds pretty unlikely to me in American English

Perhaps another member can tell you whether it sounds normal in British English Jan 8 2012 I would like to know if in this announcement it is correct to say any member anymembersor both are right Will any member anymembersof security staff please go to check in desk 11

Thanks Jul 30 2008 It depends Memberslist = A list ofmembers or a list formmembers. Members list = A list belonging to allmembers

Member s list = A list belonging to one particular member Apr 15 2019 all of the staffmembersall of themembersof the staff all staffmembersallmembersof the staff I wrote the 4th sentence and Duolingo a language learning tool marked it as wrong

That seemed odd to me and I am trying to figure out if the sentence is indeed wrong for some reason or if it is just a flaw in the tool. Thanks in advance! Jun 27 2019 Hi all I ve once been told that five staff is BrE and is considered wrong in AmE

American English speakers say fivemembersof staff instead. Is there any truth to this? e.g. Five staff have been fired. BrE Fivemembersof staff have been fired

AmE Many thanks! Jul 2 2014 Hello! I need your help. I m looking for Norwegian terms of endearment commonly used among familymembers. Mother to son Mother to daughter Father Jul 10 2007 I want to refer to team as the teammembers. There is no more sentences regarding it or they

I made up the sentence. In the absence of further context or information which you say there is none since you made up the sentence in a vacuum discussion seems rather limited in utility May 26 2006 There s another way to look at this With collective nouns like council staff etc

use a singular verb when thinking of the groupmembersas a unit. The council is one of the nation s best. Use a plural verb when thinking of the groupmembersas individuals. The council spent the entire session squabbling among themselves

Jan 22 2025 Good day members! I m a waiter and I want to recommend a dish to the guests. The dish is our best dish and is what the restaurant is famous for. Can I say Try the marbled steak. It s our special dish
