Meru is a 2015 documentary film chronicling the 2011 first ascent of a new climbing route up the prow of the dramatic Shark's Fin on the northeast side of Meru Peak in the Indian Himalayas. Three elite climbers struggle to find their way through obsession and loss as they attempt to climb Mount Meru, one of the most coveted prizes in the high stakes game of Himalayan big wall climbing. Meru is more than a gripping tale of human resistance, survival and friendship with killer cinematography.

It's a thoughtful meditation on life, death and everything in between. This documentary follows three elite mountain climbers as they scale the Shark's Fin on Mount Meru in India, one of the world's most difficult peaks. In October 2008, renowned alpinists Conrad Anker, Jimmy Chin and Renan Ozturk arrived in India to tackle Meru.

Their planned seven day trip quickly devolved into a 20 day odyssey in sub-zero temperatures. Meru is a picture that appeals to novices and masters of the sport alike, a harrowing look at the dangers, motivations, stakes and spirituality involved in the craft of climbing. Visually stunning and emotionally powerful, a chronicle of the obsessive drive of 3 climbers set to take on the dangerous Mount Meru in the Himalayas. Watch Meru Full movie online for free. The connection between the legendary George Mallory and renowned climber Conrad Anker, one of the subjects, is more than just historical.

Believe it or not, Anker is the man who found Mallory's body on Mount Everest in 1999, which made headlines around the world. Mount Meru in Hindu mythology is a golden mountain that stands in the centre of the universe and is the axis of the world.

It is the abode of gods and its foothills are the Himalayas to the south of which extends Bharatavarsha, Land of the Sons of Bharata, the ancient name for India.
