Don t hesitate to post fanart or links to fanvids you made no politics I tried figuring it out in their sub but good God it came off more like an anti gathering room. I curious on non biased answers or opinions

What ever happened with Mewgulf? Was it a natural job related drift or something messy? Based of what I ve seen on urban dictionary it seems to involve sex related thing sexaul positions types of sex etc

The problem with urban dictionary is that there are tons of definitions and all the highly rated ones are about the pokemon which I doubt Gen alpha are referring to when saying mew or mewing. So can someone please tell me the definition? May 20 2023 Update My wife is not the woman I used to know

She let the fame get her
