Jan 1 2022 Let me know when twins do 800wtq at 4k This is a stock n54 with a smaller EFR turbo roughly equivalent to a PTE 6266. I say roughly as we know a 6266 maxes out at 800whp on an n54 + dynojet. The dyno numbers and ETs the S58 is putting out just makes me want to sell my car

Can we please Feb 4 2017 Ok guys we are ready to get the ball rolling on orders for the group buy. The price will be 540.00 shipped to your door and I would need you to Pm me or reply to this thread with an email to send you a paypal request for payment

I have talked to the factory and they will reopen this coming.
