Jan 17 2019 Pew Research Center now uses 1996 as the last birth year
for Millennials in our work

President Michael Dimock explains why How Pew Research Center will report on
generations moving forward When we have the data to study groups of similarly
aged people over time we won't always default to using the standard generational
definitions and labels like Gen Z Millennials or Baby Boomers Feb 14 2019 Now
that the youngest Millennials are adults how do they compare with those who were
their age in the generations that came before them? Apr 28 2020 Millennials have
surpassed Baby Boomers as the nation's largest living adult generation according
to population estimates from the U.S

Census Bureau. As of July 1 2019 the latest date for which population estimates
are available Millennials whom we define as ages 23 to 38 in 2019 numbered 72.1
million and Boomers ages 55 to 73 numbered 71.6 million

Generation X ages 39 to 54 Generations like people have personalities
and Millennials the American teens and twenty somethings currently making the
passage into adulthood have begun to forge their confident self expressive
liberal upbeat and receptive to new ideas and ways of living Dec 10 2009
In Millennials Rising The Next Great Generation published in 2000 Strauss and Howe
focused on those born in or after 1982 Mar 16 2018 The past five decades have
seen large shifts in U.S

society and culture

See how Millennials today compare with their grandparents 50 years ago May 27 2020
Three in ten Millennials live with a spouse and child compared with 40% of Gen
Xers at a comparable age Mar 7 2014 Racially diverse economically stressed and
politically liberal Millennials are building their own networks through social
media rather than through political parties organized religion or marriage

Half now call themselves political independents the highest share of any
generation Nov 6 2025 From how well they think they're aging to how they rate
their physical and mental health and financial security older adults with upper
