Oct 17 2014 I ve been a nurse for 5 years and it s the 3rd thing that nurses gossip most about

The 1st is general workplace stuff the 2nd is general patient stuff and the 3rd is the size of a male patient s manhood Oct 2 2020 r nurseconfessions Nurses are under a lot of pressure and sometimes we mess up

This is a place to share our mistakes without judgement from Jun 21 2023 Good nurse stories bad nurse stories and all of the in between stories. Known as the backbone of healthcare nurses touch peoples lives in so many ways. I want to hear about them the good the bad and the rest

These stories can range from heartwarming to heartbreaking or even terrifying

Thanks in advance This is not a sordid confession youre just working smarter! At my hospital just about every discipline copied the same note over and over and just makes changes that suit their specialty and events of the day Sep 25 2021 The nurse frantically asks for help I go in and to my horror the guy had started to separate the dermis and has caused trauma to the foreskin with a laceration around the shaft May 6 2018 The nurse will press hard

it s going to happen. the nurse wasn t violating you or trying to make you ejaculate. it s part of the exam process

it isn t unheard of for a dude getting a prostate exam to ejaculate because the prostate is an erogenous zone Sep 11 2022 I m a nurse for the elderly one of the patients made a terrifying confession Despite what some might tell you it s not actually so bad to work in this field

Sure some of the elderly can be difficult at times and like any other job this one has its stomach churning moments Sep 14 2021 [SERIOUS] Nurses of Reddit what are some of the most memorable death bed confessions you ve had a patient give? It wasnt a deathbed confession but I cared for an elderly neighbour who had Alzheimers and sometimes she seemed to want to unburden herself of secrets

In the months before she went into a nursing home I heard a lot about very minor transgressions at work feuds with other ladies at church and some cousin fucking Feb 10 2024 I ve been scrolling through the comments but have yet to see any mention of the thought that Ichikawa s speech inspired Yamada to be so forthright and deal with Nanpa senpai s confession with both heart passion and also quite eloquently.
