Mischief Maker does not know the exact cause of a player's death but uses action history and zombie locations when you die to make a best guess

Death attribution counts are displayed in the rankings section of the Twitch Extension. Mischief Maker allows you to create your own custom spawn entity and give item actions in the Twitch Extension settings.

To add a custom action select the Customize configuration button add a new action and select Custom as the action type. Mischief Maker is made up of four components: two Twitch Extensions (one for viewer actions and an optional overlay for showing alerts and status info), a desktop client used to connect Twitch to your dedicated server, and a server mod to add support for special commands used by Mischief Maker. Dec 20 2019 Added mm raffle to select a viewer based on Mischief Maker actions.

Specify a number to do a countdown. Type mm raffle clear or relaunch the desktop client to reset the raffle. Added mm jump to teleport a few blocks straight up.

Specify a number to teleport that many blocks up. Mischief Maker is currently suspended. Privacy Policy Terms of Service After you installed an Extension developed by Chase Colburn, you are a user of the Extension.

As a user of the Extension, you agree that I and all my partners can use and publicly share in all sort of media including commercial use clips of your live stream video and audio, live stream screenshots, your Twitch name, Twitch profile picture and user specific Extension data like Twitch Bits.
