Any advice for using fetlife? I got fetlife the other day and all that has happened is I ve had a series of horrible experiences with Doms in messages and now I want to cry

I didn t approach them they approached me and when they told me their ages I said the gap was too big and they got angry at me Has anyone had positive experiences on this Fetlife has had a number of murders connected to it due to its lack of moderation

Ive talked to okay people never met in person had some creeps but overall just your average social platform Fetlife isnt a dating site its a place where like minded people can find community learn and join classes engage in discussions and just let their sex freak flag fly

Its a fetish social media and many of the users are over 40 so the focus is less on physical appearance and more about finding people with common interests and fetishes Feb 27 2024 Fetlife now wants me to ID verify which I have no problem doing generally Im verified on LF link in bio for proof and Im verified in multiple discord servers but Im not willing to

I dont trust them with my information and them wanting me to ID verify makes no sense Jul 28 2023 So I was on the sign up page for FetLife and I ve admit that I didn t know what s 80% of the terms on there where

Can anybody point me to a good reference that I could understand these terms on that sign up sheet? As others have suggested start with FetLife and look for events in the Bham area. The Red Chair operates in BHam and manages all their events on FL and usually has multiple small events a week

There are also communities in Montgomery and Huntsville as well as some smaller things going on between Anniston and Talledega. For the size of Birmingham it has a surprisingly active kink Does anyone know of any ways to sign up for Fetlife without giving out your phone number? Archived post

New comments cannot be posted and votes cannot be cast The larger groups on fetlife have still been pretty active in my experience

The larger abdl groups use a linked discord for a lot of the more random social discussions so the forum can appear a bit slow if only because there are many conversations that work better in real time Oct 30 2018 I ve been pretty scared of the daddy doms that approach my dms on fetlife

Its true I m seeking but those who reach out have all been scary and mean!!! From now on I m seeking only here. Has any other littles have similar experiences? And daddy doms out there what say you? r colorado_fetlife a place
