Dec 5 2025 I have a S22 Ultra and S25 on ATT. About an hour ago I noticed that any picture message between phones are going going through and the phone you are sending to says Removed attachment of banned MimeType

I ve never had this happen so did a search and saw a lot of posts today on Reddit but they Sep 23 2025 If you are using Samsung Messages go to the messages settings select other settings then select multimedia messages and make sure download automatically is on

If you are using Google Messages go to messages settings select advanced and make sure auto downloadMMS is on

Sometimes settings get turned off with updates Nov 5 2024 Unfortunately unless Samsung or Google revises their limitations on video size throughMMS you ll likely need to use either link sharing or third party services for larger videos May 16 2024 I haveMMSmessages that randomly won t send they just sit there spooling

Random messages send and go through and random messages just sit there spooling. If I let it sit there spooling sometimes the message sends after 15 20 minutes sometimes it s taken a few hours and sometimes after a while Apr 20 2023 Solved My Samsung A42 has many issues receiving text messages

Some come in fine

Some come in and show downloading for 2549872 May 28 2025 If you are still experiencing network service issues with calling SMS orMMSmessages network signals mobile data or hotspots after resetting the device you may need to contact your carrier Jul 11 2023 Good afternoon I cant receive picture from Verizon customers just started like 2 months ago MMSor SMS went and got a new S23 or Friday and having the same problem Please help Feb 20 2025 All my settings are correct! Out of nowhere I cannot text in my group chats it s telling me to switch to the Google messenger but I don t want to nor do i like the Google messenger

My text box is not even showing up for group text messages. Is there anyways to fix this without switching to Google Jan 15 2024 Check the attachment size. First check the size of the attachment that you want to send or receive. Restart your phone

Check your network connection. Turn on mobile data. Toggle auto downloadMMS. Clear data in the Messages app

I haven t seen this issue myself. Summest S24 and S21 May 15 2025 After receiving the message that I should switch to the Google message app I
