Mar 7 2015 A truly horrible situation and I m really sorry that the daughter wasn t able to talk about what was happening to her I m glad you spoke to the police have you tried social services childrens services as well? It s possible that they might be able to help even if it s just to make the father aware that people are watching and paying attention it might stop the abuse

What I do know from Sep 26 2016 I know now that my mom didn t forgive him and would never trust him again but she silently accepted his apology for me. I cannot even imagine the sacrifice my mom went through for the sake of her only daughter me

Fast forward 10 years later I m a 26 year old adult and the pain and disgust that my dad put me through 10 years ago still Mar 20 2014 I think you should tell your mother and I think you may be surprised with her reaction

I know I worried for a long time about telling my mom the things I felt guilty about. But once I did tell her I felt so much better and nothing changed between us

If your mom loves you unconditionally as she should it will be okay Oct 20 2012 Re Mom Is Dating My Ex Boyfriend by freklednorcal Sun Oct 21 2012 2 27 am While I have never been in exactly your position I do know what it feels like to have my mom date someone that was my age interested in me and then became just about a permanent figure in the family Nov 19 2021 My dad would molest me again that weekend when he had me alone for a couple hours while my mom went shopping

He gave me oral sex again and after that it became the norm. But this was the very first time it happened. Most of the other times he did it are a blur for how often it would occur but I remember the first time very vividly as you Nov 23 2022 I knew if my mom or anyone found out it would

I had become so addicted to the feeling I kept it a secret and took measures with my dad to avoid getting caught Jun 13 2014 We are 4 members mom dad me and my younger brother. we all love each other but don t show. we all live together but me and my dad don t talk too much

we talk 3 4 times within month even though we live in same house. the same relationship is with my brother. i daily talk to my mom but only when i need her help for food water etc Oct 4 2018 Our mom died two years ago and it s all gotten much worse

Right now my sister s daughter and I have no contact with my sister and while it s easier I love my sister and I don t know what to do or how to patch things up if possible Mar 26 2019 It might be too much for you wife to face that her mom has BPD since the implications of that are very harsh and hard to accept
