Everyone s heard of heads or tails? the traditional invocation for a coin toss.  
The head is obvious most government issued coins from antiquity to modern times  
have borne the bust of some famous ruler on one side

But most coins do not come with some tailed animal on the back so where does the  
ubiquitous expression come from? In expressions like headsandtails we really are  
not referring to the literal head or tail on a coin

The symbolism is merely a convenient way of referring to the obverseandreverse  
sides of the coin

We generally use the plural when a metaphor or a symbolism is used this way to  
refer to a certain class of associated things May 13 2023 Personally I think  
headsandtails above [the competition is a kind of eggcorn misunderstanding  
mishearing of the idiomatic standard headandshoulders above The obverse of a  
coin is commonly called heads because it often depicts the head of a prominent  
person andthe reverse tails

In fields of scholarship outside numismatics the term front is more commonly  
used than obverse while usage of reverse is widespread Jan 17 2023 The term used  
in numismatics appears to be double sided heads or tails coin. They are referred  
to also as double two headed tailed coins

Amazon How Much is a Two Headed Coin Worth For one headandthree tails the  
probability is the same as one tailandthree heads. It still sounds awkward to me  
as do other usages in the same book such as The probability of the first coin  
giving a head is

I d definitely avoid that phrasing particularly for the college crowd. In any  
case head or heads in the listed contexts? Apr 1 2022 5 They couldn t make heads  
or tails of it until they flipped it over to read the instructions

not make head or nor tail of idiom variants or US not make heads or nor tails  
out of informal To be unable to understand something I couldn t make heads or  
tails of her reaction Mar 26 2011 I know giving heads up means to inform someone  
but how does that relate to the literal meaning i.e

giving heads up? What s the background? Where did it come from? Jul 18 2021 What  
is the word for words that are two sides of the same coin as they are not always  
opposites such as headsandtails. Complement? An example would be ballandstrike  
in baseball

They are the Dec 6 2014 Their heads vs their head I only asked as in some  
religions their deities have multiple heads. Shook their heads is just fine with  
me. Similarly their husbands wives vs their husband wife has a sociological
