H HOMEies!!! I have been lazy for starting this for a while but finally did today. Welcome to the official Zillow Gone Wild Reddit community. I hope this is a place we can share homes to talk about that are WILD. They ll also have the potential to be featured across ZGW social accounts

Thank you all for joining!!!! Edit 1 What do you all think in terms of the literal house rules here? Should Does anyone use Zillow s leases for their rental properties? How about Zillow s online tenant payments? What is your opinion? Property Management May 30 2022 I got scammed on Zillow now what? Hello! I was looking for rental housing in the Columbus OH area and found a nice home that had been on the market for 3 months

Shocked that a nice house could still be on the market I emailed the Leasing Agent to see if it was actually available. May 22 That evening I email about the availability Jul 29 2021 Zillow offered 379 approximately 364 after fees and repairs and open door offered 365 344 after fees

What gives? This is a really competitive offer and above what the comps area for my area. I did notice that both websites used a couple residential houses that sold for over 400k to base their offer

I wonder if that is a mistake? Sep 16 2021 Zillow is efficient in creating mid bottom of funnel leads. My Agents have a 5.2% close rate or 1 20 zillow leads become a closed transaction. It s worth it in my market

The one thing to keep in mind with zillow is that every zipcode is priced differently

Don t trust the salesperson on the other side of the phone or zillows ROI tool I have Zillow emails set up from my regular email to see how certain things look as a consumer and I just received one of the Listing Showcase messages

I was extremely impressed with the whole thing and its clearly set up to prominently display the listing agents information which Im obviously a fan of May 13 2023 Given Zillow s popularity the listings get plenty of visibility and generate an adequate number of leads for my units

The screening app is fairly simple and the background check info is not super detailed but both work well enough for my needs For Realtors Brokers Home buyers sellers Zillow staff and anyone else interested Sep 9 2021 On Zillow OS app click on the Saved Homes icon at the bottom of the page > click contact rentals > then message at the top of the page

Please leave a comment if it worked Jul 24 2022 How to download my house s photos off Zillow? My husband and I bought a house earlier this year
