Reddit gives you the best of the internet in one place Jun 16 2020 Why does Sanji uses the suffix chan for Robin and san for nami shouldn t it be the other way around since Robin is elder to him and nami is younger? I d get it if he called them both san but isn t it considered rude for younger people to call elders with the Chan suffix if they re out of the family

Also there is a scene where Hina calls Garp using the suffix kun usually meant for younger Reddit is a network of communities where people can dive into their interests hobbies and passions

There s a community for whatever you re interested in on Reddit Nov 11 2021 I feel the same sometimes and it s really rough when you don t want to do anything to better yourself. Celebreate every small victory you make for me it would be like doing my skin care more regularly

I understand not wanting to work but go anyways and treat yourself to the food you like and buy yourself things that make you happy! I hope you can at least want to be happy again to get I ve noticed that when Sanji says the name of a girl he likes he always adds chan to their name

But for only Nami he adds san. Is there a reason for this? r OnePiece Go to OnePiece r OnePiece r OnePiece Find the best posts and communities about Nami on Reddit You guys ateromehave a good site with a great community but lately it feels off
