Jun 24 2022 Ace is the first to recognize that something is going on with Nancy and that she isn't herself in season 2 when she is possessed. Nancy knows Ace well enough to know Amanda bought Ace a shirt because it isn't his style

When Nancy is possessed by the wedding dress she comes on to Ace strongly. No idea what the writers were thinking! If Nancy and Ace both have separate love interests that the show is going to spend the last season developing and all the previous Nace content was never real, always in a dream sequence or fantasy space etc

then the show is going to end with NO CANON Nace moments truly bizarre Nov 2 2023 Nancy + Ace early sign Season 1 Ep 7!! Check pic 2 for zoom in this is Ace texts to Nancy in Season 1 it is only on screen for like 2 seconds

I'm rewatching Nancy Drew after finishing Season 4 big Nace shipper here ugh my heart and I saw this! This happens towards the end of Season 1 Episode 7 when Ace is in the car with Laura Jan 9 2022 Nancy spends the entire day pissed off because she thinks Ace ghosted her so she also assumes he doesn't have feelings for her and pursues a cute man who's been flirting with her for a few weeks as annoyed distraction rebound behavior

Because of this Ace immediately calls her a friend as soon as they bring him back Feb 4 2021 Nancy and Ace have a different kind of relationship that's hard to describe

I've definitely noticed that they are giving the two of them a lot of screen time together and just enough conflict between them here and there to show how well they work together Jun 6 2023 To be honest I've shipped them from the start because I found Nancy Nick boring and I could picture a friends to lovers sort of thing happening between Nancy and Ace eventually the characters just seemed very compatible to me Feb 2 2022 So Ace and Nancy actually convinced me to give the show another try

I knew going into the first episode that I liked them together. The show itself really grew on me after the first few episodes! It was a bit tough getting into the initial mystery for me

I actually strongly prefer the more supernatural bent to seasons 2 and 3 rather than Jan 29 2023 Marshallace r AnadeArmas r AnadeArmas Official subreddit for actress Ana de Armas Please read the rules before posting and use the report button instead of sending modmail when reporting posts they will be dealt with faster that way MembersOnline May 28 2021 Young Nancy Drew makes plans to leave her hometown for college after high school graduation but finds herself drawn into a supernatural murder mystery
