I am now in a very hard place gender wise and seen recently an interview where Natalie talked a bit about her transition and some of her words really resonated with me heavily To the extent that Natalie's videos on trans topics are aimed at outsiders to help them understand and not fall for transphobic talking points it's reasonable that Natalie would no longer be interested in doing that considering the direction trans issues are going in the US right now Apr 27 2019 I had some minor surgery done over the Christmas season so I had to stay at home for a week in a row

It was then that I discovered ContraPoints Get well soon Natalie! 46K subscribers in the CedehsGifs2 community. Cedehs Gifs 2 Secondary sub for CedehsGifs I put up lights and a few blow ups but nothing the other neighbors don't do. This couple started bitching right off. Christmas offended them

I just smiled and added more. At this moment my house can be seen on Mars. To add to the petty I told the neighbor next to me and he told another and then another. You get the picture.
