Dec 20 2019 Sometimes I view normal pornsites and tags like teen usually don't actually mean teen so it's a common category there. When you click on sites related with this tag it happens very quickly that you might find a redirection to forums called jailbait

They exist on the normal internet no registration needed the threads are clicked millions of times and have thousands of comments Aug 5 2020 Neighbors 15 y.o. son was masturbating naked into my window. Caught on camera. Police asked if we want to press charges

I don't want to ruin his life but will it be a mistake not to press charges? What is the time period for that? Seriously freaked out Aug 20 2021 I went to a massage parlor in a fit of depression. Not my proudest moment I am never going back

Can I be arrested if there was no sting I was involved in? Jul 28 2020 No you are free to block anyone from FB messenger that you like. You can expect FB to kick you off their site. If you were sending nudes to a minor child you may be charged for felony crimes

If you did not recognize you were being scammed if that is what was happening you are not savvy enough to be online Aug 20 2010 I see a neighbor every time I go out on my deck and she will be laying out and completely naked sunbathing in her backyard

my kids play out on the deck and I just want to know if that's legal? this is almost everyday May 13 2018 If you do not want a person to come onto your property and the person has no legal right to be on your property you can tell the person to stop coming onto your property

If the person continues to come onto your property after being told not to be there you call 911 to report a trespasser. The police will come to investigate

If the police is convinced that the person has already been told Dec 27 2023 A few days ago I sent a nude photo to a friend however I had typed in the wrong area code and the photo did not go to him instead it went out of state to RI! I have no idea who it went to

I have not heard back from anyone on this

What should I do? Jul 7 2012 If you are masturbating alone in a stall in a public restroom can the police try to spy on you and make an arrest for lewd conduct or some other charge? Does it matter whether or not there is a door on the stall? Is there a legal right to privacy with regard to public restrooms? Mar 20 2018 Naught is lawyer ese for nothing
