Join our AI community today! Nov 11 2023 For the past 3 days the Bing Image Creator frequently could not create pictures where the create button would just stay greyed out for hours at a time and basically only works when I have boosts left

I ve tried clearing cache and cookies am not connected to a VPN or Proxy server and the problem occurs on multiple browsers and devices I have been using other AI chat services for the last 12 months and got genuinely excited and invested in the image generation capabilities with Bing but I don t think I have been able to finish a conversation with copilot yet without it lecturing me about its limitations arguing with me over basic requests or flat out ending that chat when I provide critical feedback or ask it to modify its Mar 9 2023 A subreddit for news tips and discussions about Microsoft Bing
