Nov 26 2022 Kimikos best chance is incapacitatingNezukoright off the bat with her superior AP otherwiseNezukojust gets stronger and might even kill Kimiko. I think that her regen negation only works demons though. In fact I don t think her fire blood art even hurts humans

Either way is a vote for Kimiko orNezuko? Feb 25 2025 The reasonNezukowasnt healing right away was because she simply wasnt strong enough after that she gains a power up and his regeneration speeds up dramatically. The same applies to the fodder demon that Muichiro fought

And the stamina stuff really is a whole other topic that should be addressed on a different thread Jul 11 2024 I feel as though Tengen Obanai lose here It really depends on Obanai s stamina to hold off Gyutaro until Tengen does his stuff ngl

Daki s gonna sit there and watch the movie cuz as we know she s anezukovictim Aug 30 2023 nimona VSnezukoVictory Conditions KO

State of mind Characters will employ their usual battle strategies Knowledge of the other character verse No prior knowledge of each other Sep 22 2025 Zenitsu Agatsuma Agatsuma Zen itsu? is one of the main protagonists of Demon Slayer Kimetsu No Yaiba and along with Inosuke Hashibira a travelling companion of Tanjiro Kamado and Nezuko Kamado Aug 4 2024 Zenitsu Agatsuma Agatsuma Zen itsu? is one of the main protagonists of Demon Slayer Kimetsu No Yaiba and along with Inosuke Hashibira a travelling companion of Tanjiro Kamado and Nezuko Kamado Feb 25 2025 Introduction As of now almost all characters from Demon Slayer in the mid tier and above have their Durability Attack Potency and Striking Strength scaled from a single feat performed by a low tier Gaiden Rengoku

This makes for poor and incomplete scaling which we seek to improve in this Jun 15 2024 The AP advantage shouldnt be much of a problem as he has fought others like Rui who can one hit him casually but was still able to keep up a bit with his threads which are inferior but comparable to his neck in dura and in exchange defeat the guy with his Hino amp albeit withnezuko s help Oct 18 2020 Yet when he actually struck Rui he only Nicked his Neck beforeNezukos Flames Burned through So likely his neck is far above his threads Then he probably applied just that much force when cutting his own head off with his threads? It was an emergency for him after all Oct 27 2019 Nezukowas injured and starving when she attacked Tanjiro

Tanjiro was in pursuit of a demon he would be moving at his top speed. Ah ok my bad on that one but I don t remember Tanjiro dodging the lightning itself.
