Oct 1 2015 At the linguistics conference there were no not non native speakers of Esperanto

They re all grammatically valid but they all mean different things and pragmatically idiomatically only the no version is likely to be used 25 Does non prefixed to a two word phrase permit another hyphen before the second word? If I want to refer to an entity which is defined as the negation of another entity by attaching non it seems strange to attach the non only to the first word when the second one is really the word naming the entity

For example non control freak Oct 5 2015 Non is defined as a prefix meaning not freely used as an English formative usually with a simple negative force as implying mere negation or absence of something rather than the opposite or reverse of it as often expressed by un Nov 22 2019 What is the correct way to apply the prefix non to negate a maybe dashed compound adjective? Suppose that we want to negate a generic compound adjective adjective1 adjective2

In this case non adjective1 adjective2 looks a bit ambiguous since the scope of the prefix non is at least unclear in fact seems to affect only adjective1 Feb 27 2015 Non repudiable exists in generic broader legal usage corresponding to non repudiation. non repudiation Wikipedia Non repudiation refers to a state of affairs where the purported maker of a statement will not be able to successfully challenge the validity of the statement or contract

See also non repudiable ContentCreationWiki NonRepudiable transaction can t be denied as having taken Except non is not an English word it is a prefix of Latin origin. Which is why American style manuals will always ask you to merge it with the subsequent word without a hyphen

British rules differ and the non construction is frequently found in the literature The usage of a non breaking space is explained in a Wikipedia article under Non breaking spaces and Controlling line breaks and below in items 1 and 5 It is advisable to use a non breaking space also known as a hard space to prevent the end of line displacement of elements that would be awkward at the beginning of a new line in expressions in which figures and abbreviations or symbols Jul 30 2013 I am writing a statistics text and I am not sure if I should either use non significant variables or not significant variables or anything else Non Official Outside official knowledge

Normally when I want to point something that is outside the approval of the company or a government or any entity for instance non official statements non official car

Extra Official When I m pointing to something that is outside a predefined scope To record and summarize the discussion in the comments while the OED mostly uses
