Oct 16 2023 I understand why it has to exist but how can zero exist if zero is nothing then nothing is something which means that zero can't exist I have seen similar questions but I still don't get it he Oct 29 2023 The question should be How can something come out of nothing not Why cannot something come out of nothing

Stephen Hawking has recently argued as to how the universe can come out of nothing but to my mind his argument is rather circular and it's not provable Feb 8 2022 Is nothing really nothing or is it something? Like is 0 something or nothing? And if nothing is something then would it be right to say that if nothing existed something existed

And something must Oct 6 2022 Nothing is not something humans in general have access to. The moment you have the word nothing you have something. A single thought is a million miles away from nothing

To sit down and consider nothing isn't actually considering nothing it's considering the idea of nothing which is most definitely something

There is a scientific definition for nothing but if that satisfied you Oct 29 2012 Is or was there a philosophy which examines a hypothesis that in fact nothing exists except maybe questions? I know there are philosophies that state that reality is a simulation etc

but I mean Oct 21 2024 Throughout the history of time it has been almost everyone's intuition that something cannot come from nothing. That intuition is so strong that many can't even imagine this to be false

But would Apr 29 2015 5 Krauss definition of nothing is the result of the allergy contemporary physicists get from philosophy the philosopher David Albert posted a crushing criticism of the book in response and started a terrible fight Where for starters are the laws of quantum mechanics themselves supposed to have come from? Aug 14 2020 If they knew nothing then they obviously wouldn't have known that they know the fact that they do not know anything at all

Is this a self contradicting statement which meaning is the logical one? May 20 2016 How is zero different from nothing? Should I travel beyond Earth's atmosphere I do not travel into zero but nothingness

What is the difference? Yet even though nothing is something something is something in itself and therefore can not be nothing. This could also apply to Can something be anything or everything?.
