Aug 26 2018 NTR is a genre in anime that many people still do not understand. This type of anime movie has a common scenario is the protagonist s lover or called Main was robbed by other people or other personnel

In Japanese NTR is an acronym for Netorare a genre that often fusses about Apr 5 2020 NTRin manga is few and far between.NTRin hentai is decently plentiful and most of the people talking aboutNTRare talking about it within the scope of hentai

It is an infamous theme in hentai due to the uncomfortable and bitter nature of how a charcter is cuckolded typically the male.However this comic subverts the expectation by having the blond character mentally expressing the wish to cuckold the couple

This shitty world that s nothing but a trashy game Nov 6 2020 IfNTRhentai artworks are so different then can we really just say that people enjoyNTRbecause of sadistic masochistic emotions? I think there is a deeper antecedent >precedent relationship explaination to why people findNTRenjoyable

Albeit some say it is really just horniness lust and good artworks fromNTRthat satisfies them I see some people here already explained whatNTRis

To me personally what more annoying is the anti NTRbrigade who often go out of their way to tank a product by giving it auto negative reviews even threatened the creator and give the creator all sort of abuse mainly online just because there s 1 element in the story that they don t like Oct 11 2018 I m a bot bleep bloop
