TheNuggetis by far the best investment for indoor play. It s functional well made and allows the kids to tumble and climb around indoors to use their imaginations and energy safely! TheNuggetis by far the best investment for indoor play

It s functional well made and allows the kids to tumble and climb around indoors to use their imaginations and energy safely! TheNugget play couch is infinitely configurable and endlessly playable whether your child is building a towering castle sailing the high seas a pirate ship or navigating a lava field from the kitchen to the playroom The creators of the famousNugget have created the products little sister an equally attractive play encouraging ottoman

Real furniture can be a Trojan horse for a toy saysNuggetCEO and co founder David Baron TheNuggetis The Original Play Couch! It s infinitely configurable and made up of four foam pieces base cushion and two triangle pillows that come covered in a washable fabric cover in the color of your choice Create a playroom in the living room or any room with kid friendly aesthetic play furniture and endless inspiration forNugget Chunk builds For more than a decade Nuggets mission has been growing imaginations through thoughtfully designed surprisingly fun kids play furniture

Everything we make sparks creativity adventure exploration and open ended play We ve designed the best play couch and coolest play ottoman to be just as comfortable as they are stylish with innovative features unparalleled quality and a two year product warranty for theNugget play couch + a one year warranty for our Chunk play ottoman TheNugget is part furniture and part toy a play couch made of four foam pieces

Its soft squishy and sturdy and best of all kids of all ages love it because it can be reconfigured in countless ways When we launchedNugget Comfort in 2014 we werent trying to invent a new kind of kids play furniture we just wanted to make a better futon

Specifically one that was portable and durable and versatile enough that it would be in use for years not in a dumpster after just a few months.
