Octopussy is a 1983 spy film and the thirteenth in the James Bond series produced by Eon Productions. It is the sixth to star Roger Moore as the MI6 agent James Bond and the second to be directed by John Glen.

Directed by John Glen
With Roger Moore Maud Adams Louis Jourdan Kristina Wayborn

A fake Fabergé egg recovered from the body of a fellow agent leads James Bond to uncover a jewel smuggling operation led by the mysterious Octopussy and a plot to blow up a NATO air base. Octopussy is a 1983 spy film and the thirteenth James Bond film made by EON Productions.

The film is the sixth to star Roger Moore as the British Secret Service agent Commander James Bond. Khan and bodyguard Gobinda capture Octopussy as they escape in a plane.

Bond clings to the fuselage in a fight to the death with Gobinda and manages to rescue Octopussy moments before the plane crashes, killing Khan. James Bond is sent to investigate after a fellow 00 agent is found dead with a priceless Indian Fabergé egg.

Bond follows the mystery and uncovers a smuggling scandal and a Russian General who wants to provoke a new World War. Bond is sent to investigate and begins at the Sotheby's auction for the real Fabergé counterpart.

007 is led to India, finding corrupt Prince Kamal Khan and his beautiful associate Octopussy. After escaping the palace, Bond infiltrates a floating palace in Udaipur, India, and there finds its owner, Octopussy, a wealthy woman who leads the Octopus cult, of which Magda is a part. Review: Roger Moore returns as James Bond in Octopussy, a film that blends circus intrigue, Cold War schemes, and international smuggling. The trail leads to the mysterious Octopussy, Maud Adams, whose travelling circus features a company of luscious athletic women.

Bond and Octopussy share a passionate attraction, but soon 007 discovers that the elegant Kamal Khan, Louis Jourdan, is working with a mad Russian officer to hurl mankind into World War III! Octopussy is the nickname of the lead female character who was named after a pet octopus by her father; we never learn her real name.

The opening aerial action featuring the Acro star Mini Jet was originally much longer but was cut to keep pace in the pre-title sequence.
