Designatedneighbourhoodschools must manage their enrolments in accordance with the Placement Policy.

The Placement Policy embeds the legal entitlement for students to enrol at their designated neighbourhood school and to enrol at another school if there is sufficient accommodation. A student's designated neighbourhood school is generally the school that is nearest the student's permanent address as determined by the school zone.

The Find my School website provides guidance on which school zone a student's permanent residence is located within. Our school manages enrolments using the Placement Policy to ensure that students have access to their designated neighbourhood school and may enrol at another school if there are available places.

For more information about our school zone please contact our school. This policy sets out requirements for entry into Victorian government schools including admissions, enrolments, the placement of students and transfers between schools.
