Oct 15 2023 A preposition phrase headed by of is a common way of attributing a quality to a noun either as a modifier or as a predicate a man of discretion = a man who possesses discretion a discreet man. This approach is of value. = This approach possesses value it is valuable

This construction pushes the attributed quality to the end of the phrase or clause the emphatic Forgot your password? No worries! Just send us an email and we'll send you instructions so you can get back to it

Happy fishing! Apr 28 2021 The moment of impact is the moment when something hit something else perhaps a car accident. The speaker cannot remember that moment they have no memory of it. Because no not any comes before memory there is no need for the definite article the

If the person did remember something they might say The memory of the impact will stay with me for a long time. A king of fighters could No sentences 8 12 are not correct. You could say Your whispers are a distraction to me otherwise you need to completely reword them

Yes the structure is fairly formal

In everyday conversation we would usually say that something is important rather than is of importance COI Declaration of Interest forms from all the authors of an article is required for every submission of science CHINA CERNET Federation Dec 1 2022 Looking at similar threads on this site and on others I could find the only one explanation on this topic

It is best expressed here A is part of B. A is integral to B A and B are indivisible A is a part of B

B consists of a number of components one of which is A According to this explanation only my version with a part of is correct [ when which can also be considered Feb 25 2023 As Ngram Viewer shows as a part of is 18 times less common in British English

In American English though it's somewhat less rare being only 11 times less common. To me in the US either sounds fine. But they have slightly different meanings for reasons that the Cambridge definition of part explains. As an uncountable noun part means some but not all of a thing

As a I am a bit confused about these two forms For example John reads books all of the time all the time All the students All of the students have participated in march against smoking in the campus Oct 24 2021 I want to know what the constraints are on using the phrase one of the

Is it used correctly in this example? He is one of the soldiers who fight for
