I go on there on there on there sometimes on the message section and I dont get why people are so weird Ive heard people say things I never thought I would hear anyone say and like men saying there looking for cp of babies and young kids Just wondered who showers with others in communal showers after sport matches? Do you mind everyone else seeing younaked? or don t you care? And are you male or female? I know men usually shower together after matches but i don t know women that do

Just wondered Does it really happen? Boarding schools like Eton and Harrow have many stories about senior students having gay sex both anal and oral amongst themselves and with younger pupils as they are staved of females and see pretty boys as the next best thing to have sex with as they don t have anything else

Has anybody gone to a school like Eton or Harrow and experienced this does anyone else The extract Rosie had made a quick check of the unfamiliar garden before letting the children go out to play. The bottom half of the garden was an overgrown mess a muddle of trees and shrubs

An ancient mulberry tree stood at the centre. Its massive twisted branches drooped to the ground in places its knuckles in the earth like a gigantic malformed hand

The wintry sun hung low in the sky Jerking up and the wooden floor beneath mynakedfeet creeks in pain and falling back onto the antique woodlice chair merely looking at my hands with mango pulp on them Some unis take the initiations way too far. Others are more associated with drinking

Most perhaps consider initiations and drinking part of the same rule. My 2nd year housemates were all rugby players and they did some crazy stuff. Part of their initiation consisted on playing rugbynakedwith a dead chicken carcass as in the food one not like a road kill chicken

They also had to drink Anyway as I was just getting out my friend s mum burst in and she needed to get some shampoo or something and there I was standing thenaked. I was so embarresed at first and scrambled for a towel

She just calmly walked in locked the door behind her and whispered in my ear
